Dear 

We greatly appreciate all the help given us in securing data on the extent of United States shipping supply lines during 1944 and 1945. May we further impose on your generosity? Enclosed herewith is a rough draft of our map, revised in accordance with the 1944 War Shipping Administration map you so kindly sent us. Our deadline for the issue in which it is to appear is fast approaching and we would be very grateful to you for a final check.

Many thanks for your assistance.

Sincerely yours,

/s/ Frances Friedman
